

SMS has a Roster App!

Ensure Your Workers and Volunteers have access to their Rosters and Client Info

Alchemy's Roster App is the perfect addition to your Service Management System (SMS) Community Care Software.

- Available for install on Android and iOS devices
- No more manual writing & data entry of timesheets view completed times vs rostered times
- Options to record and view client signature for services
- Avoid data entry, remove duplication of effort and eliminate errors
- Access Rosters and information when online and offline
- View Client Information including Emergency Contacts with Tap to Call
- Record Notes, Medications and Photos
- Complete Vehicle Pickup & Drop Off Checklists
- Links for Mapping and Navigation
- Download and View Documents
- Helps meet WH&S requirements for care worker start and end of services and many more....

Roster App provides access to view and complete rostered services, view linked care plans and messages.
